## PUBLIC ANNOUNCEMENT

# MCP-01 Platform Decommissioning

TOTAL E&P UK PLC as operator of the MCP-01 platform located in Block 14/9 in the UK sector of the North Sea, 173km north east of Aberdeen, on behalf of partners (Elf Exploration UK, Petoro, Statoil, Norsk Hydro Produksjon, Total E&P Norge, Esso Exploration & Production Norway, Norske Shell Pipelines, Mobil Development Norway, Norseas Gas, Norske ConocoPhillips, Norsk Agip and Eni Norge) is currently preparing the process for platform decommissioning. This process will take several years to complete.

Our proposal for an Environmental Impact Assessment Study has been prepared and the public consultation process is now underway.

If you are interested in participating in this consultation process or have any questions, contact:

Mr Erik Hjelde, TOTAL E&P UK PLC, Crawpeel Road, Altens, Aberdeen, AB12 3FG, Tel: 01224-297034 or email [mcp.01@total.com](mailto:mcp.01@total.com).

Further information can also be found on our website at [www.uk.total.com/activities/EP\\_SF-MCP01Platform.html](http://www.uk.total.com/activities/EP_SF-MCP01Platform.html)
